Dear College English II Student:

We regret that the current global health crisis precludes our One Book One School program this year, but we encourage you to engage frequently in any type of reading activity to keep your skills sharp as you rest and recharge over the summer.

This will be the first grade of the new school year in your English class. The assignments will be graded on effort/time spent as well as the score. This is not an assignment that can be completed in the last week of August. We recommend you manage your time wisely by completing one assignment each week.

Have a healthy, safe, and fun summer! We look forward to our return to school in September.

Sincerely,

Members of the English Department
