### **COLD SPRINGS ELEMENTARY SCHOOL**

Hello Parents/Guardians;

We hope that you are having a healthy and happy summer. The new school year is rapidly approaching, and we would like to go over some general information. Kids Choice operates from 7am until the start of school. Then from dismissal until 6pm. Any child picked up after the 6pm will be assessed a \$25.00 late fee.

### **COVID-19**

Kids Choice is working diligently to meet and or exceed the Department of Educations and The NJ office of Licensing requirements for operation in September. We also will be working hand and hand with our districts to continue to provide the absolute best in before and after school care for your family. Some of the requirements from the State might change which could result in the number of children we can accommodate, social distancing and staffing.

**Please see attached Safety Procedures.**

A COVID -19 waiver will need to be signed prior to the start of school, directions to follow later.

Children will be split into two groups. This will help us maintain our smaller groups and maintain proper social distancing for the staff and children. **Grades PreK 3-K** will remain located on the early childhood center side of the school in the all-purpose room. Morning Drop off and Afternoon pickup will be at this location. **Grades 1- 4<sup>th</sup>** (4<sup>th</sup> grade buses from middle school afternoon only) will be in the cafeteria In the Morning and Afternoon sessions. If you have a child located on both sides you will need to make two drop off's and two pickups. **We will not be permitted** to send children down to one side or the other this year. Kids Choice is sorry for the inconvenience, but we need to follow all state mandated social distancing guidelines. Please allow enough time in your daily schedules to do this daily no exceptions can be made.

## **SCHOOL CLOSINGS & DELAYED OPENINGS**

Kids Choice follows the public-school calendar. If schools are closed Kids Choice is closed. If the schools are closed due to inclement weather so is Kids Choice. If the schools have a DELAYED OPENING, Kids Choice will only operate in the afternoon. Example: if the school is on a two hour delay the morning session is closed.
