DISTRICT/SCHOOL-PARENT COMPACT
Cold Springs School
2023-2024

Gloucester High School, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

This school-parent compact is in effect during school year

School Responsibilities

Gloucester High School will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement as follows: employing highly qualified teachers, providing additional reading and math instruction through tutoring, and providing a supportive environment that promotes academic success.
2. Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement.
3. Provide parents with frequent reports on their children's progress. Specifically, the school will provide online report cards four times per year with two parent conferences held in November and February.
4. Provide parents reasonable access to staff. Parents will be provided information regarding school hours and times in which teachers can meet with parents. Parents may call the office to schedule a consultation with any teacher. Teachers can also be contacted via our email system, which can be found on our website.
5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities as appropriate during the after Covid-19 environment. The school and teachers will provide parents with opportunities to participate in a wide variety of activities through parental involvement activities.

Parental Responsibilities

We, as parents, will support our children's learning in the following ways:

1. Monitoring attendance.
2. Making sure homework is complete.
3. Participating, as appropriate, in decisions relating to my children's education.
4. Promoting positive use of my child's extracurricular time.
5. Staying informed about my child's education and communicating with the school by promptly reading all notices from the school or the school district either received by my child or by email, phone messages and responding, as appropriate.

Student Responsibilities

We, as students, will share the responsibility to improve our academic achievement and achieve the State's high standards. Specifically, we will:

1. Do our homework every day and ask for help when we need to.
2. Read every day.
3. Attend school on a regular basis.

The Gloucester City School District is seeking parent input for revisions to the parent compact and the parent policy. Please submit any input to your school building administrators who will forward your suggestions to the Curriculum Office.
